Chancery Court.

New Orleans Packet.

The Chancery Court met vesterday, the The steamer Liminary arrived here Hon. Henry Pirtle presiding. The fulvesterday from New Orleans, and from Jowing cases were decided:

other large Eastern cities could boast of some of the largest and most beautiful stor as in the United States; but we must nove claim for this city the reputation of having one of the most magnificent basic pees houses anywhere—the East and North not excepted. We refer to the new marble front six-story wholesale drug dizens Edw. Wilder & Co., No. 215, Main street, nearly apposite the Louisville House tell. The house was first established in the year 1837, on Fourth street, between the tween Main and Market, where it did and sheet and most was first established in the year 1837, on Fourth street, between Street of the house was first established in the year 1837, on Fourth street, between Eith and Sixth, north side. Here the house won for itself a reputation of which it can never be robbed. Mr. Edw. Wilder, fluding his business wastly on the increase, was compelled to occupy a more extensive building. So, with an every second control of the profile of the proper to most second large and they report mosts, and they report most and they are also and they can be an expected or the most magnition and and Third, and see the lastest fishing of house

his business. We paid the store a visit ence to those apprehensions: yesterday, and must confess that, inside Main and Nelson—the lower or cellar floor being on a level with Nelson, and the first floor being on a level with Main street. Each of these stories are 180 feet and 221 leef in width, with the exception of the upper one, which is 100 feet in length, running back to a slanting roof. In the center of each of these floors is a large opening through which the light is reflected from a large skylight moon the roof. The cellar and any accident from giving wany of the ceiling as interly improbable. In some this opinion will be cheerfully concurred in by any unprejudiced architect or engineer who will thoroughly examine the building.

Giden Survock, Architect. a large skylight upon the roof. The cellar

urnoses. The first floor is rear end of this floor is a large and magnificent counting-room, in which is built one of the largest and best vaults we have To the Masonic Temple Company:

in a few hours, and properly treated by a mpetent and experienced nurses. We hope something will be done, and done quickly.

We hope something will be done, and done quickly.

Free-Arriver of varie aeid and oplum. The affair, so far as we can learn of you mring the store of Ulluman do in s, on Green street, near Floyd, was at once sounded. The front door was at this bouse. The third, fourth and tifth floors are used for packing audstore rooms, the upper one being filled with the choicest liquors of all kinds—foreign and dorrecting filled with the choicest liquors of all kinds—foreign and donestic.
